

Asbestos Management Plan

To Parents, Students, and Staff of Sunnyvale I.S.D.,

Sunnyvale I.S.D. is working hard to maintain compliance with federal and state regulations concerning asbestos. Should you desire to review the asbestos management plan for the district, a copy of the plan is available in the principal's office as well as the schools central administration office.

If you have questions, about the plan or this federally mandated program, please contact me at 972-226-7601 EX 107.
