

Dear Parent,

Sunnyvale Independent School District provides bus transportation to and from school as a courtesy service for all students residing in the district. It is our desire to transport students in the most efficient, safest way possible as outlined by the state. This handbook outlines safety and behavioral expectations for all riders.

If you wish to utilize bus transportation, you must fill out the bus rider agreement form and acknowledge that you have received or read this handbook. If you wish to receive a paper copy, please contact transportation.

When I receive your completed form, your student will be placed on a bus route. You must designate AM, PM, or Both, so our drivers and school personnel know who should be riding and who should not.

If you need information concerning bus routes, schedules, drivers/monitors or other concerns, call (972) 226-5974 Ext. 4402. Surveillance cameras are used on our buses to ensure a safe transportation system for the students and drivers.

Thank you,

Todd Staley

Director of Transportation

General Rules

- 1) **Be respectful** and courteous to all people on the bus. Students should be respectful and follow directions given by the bus driver.
- 2) Board and leave the bus at **designated home and campus stops** only. Transportation will identify designated stops close to student homes. However, some stops, depending on a variety of factors, may be at a group or individual stop that could be up to ¼ mile from the student home/s.
- 3) In order to ride a different bus or get off at another stop, you must have a **bus pass**. The driver is not allowed to take any form of written note from anyone to transport a child to any other bus stop. Any note sent from home must be verified and signed by a School Administrator, and a Student Bus Pass will be given to the driver by the student before a student boards the bus.
- 4) Bus routes are designed to provide maximum efficiency, including routes, loading, and unloading. **Approval for extra students** will be based on the amount of room available on each bus.
- 5) **Video Equipment** may be in use on the bus at any time. The Federal Family Educational Right and Privacy Act (FERPA) prohibits a school district from allowing parents to view the video obtained due to the rights of the other students, and this law is further incorporated into our state's Open Records/Public Information Act.

- 6) **5 Day No Ride Policy** - If your child does not ride five (5) consecutive days, A.M. & P.M., your child will be removed from the route unless you have informed transportation for extended absence. You will have to call transportation to be added back onto the route.
- 7) **School Bus Rider Contract** - Forms are to be completed and returned to the transportation department within 5 days after receipt. School Bus Rider Contract Forms must be renewed each school year or for each new address change, but only one address at a time may be used for bus service. This can be done online.
- 8) Only SISD Personnel, law enforcement, and students are allowed to **approach and board SISD buses**. Parents/guardians should not approach or board the bus at any time. Please call SISD Transportation for any questions or concerns.
- 9) Download the **TripSpark app** for real-time bus tracking and notifications for your child's bus.

WAITING FOR THE BUS

1. Be at the bus stop at least **five (5) minutes before** scheduled pickup time. Driver will not wait or honk once arriving at the designated stop. Buses will not turn around or make second passes for any reason. This endangers everyone along the route and delays the bus. Riders must be clearly visible to the approaching bus driver.
2. Stand on the **sidewalk or back from the roadway** at least 15 feet at all times while waiting for the bus.
3. When the bus approaches, **form one line** and be prepared to load immediately.

4. Stand **clear of the bus** until it comes to a complete stop and the stop sign is extended from the bus.
5. If you **miss the bus**, go home immediately. Do not run after the bus. Parents should instruct their children on what procedures to follow if they miss their bus. Parents are responsible for providing transportation to/from school if a child misses the bus. Route schedules will not permit a bus to return for students who miss the bus.

LOADING THE BUS

1. Be **respectful** when loading the bus, including keeping your hands and feet to yourself.
2. Go **directly to your seat**. The bus is not allowed to move until all students are seated.

BUSES EQUIPPED WITH 3-POINT SEATBELTS

SISD is following in accordance with SENATE BILL 693, which requires 3-point seat belts on all school buses manufactured after September 2017.

Texas Education Code: Sec. 34.013. Bus Seat Belt Policy. A school district shall require a student riding a bus operated by or contracted for operation by the district to wear a seat belt if the bus is equipped with seat belts for all passengers on the bus. A school district may implement a disciplinary policy to enforce the use of seat belts by students.

14. **Electronic Devices:** Students may bring electronic devices on the bus. However, students are not allowed to share electronic devices with other students. Disciplinary actions will be taken if a student does not follow electronic devices guidelines. Students must only wear headphones/earbuds in one ear so they can hear the driver. District is not responsible for damage to electronics. Students are not allowed to take pictures or videos on the bus.
